Greetings to the Goetz Community,

As we approach the end of another year, I will take the opportunity to count our blessings as members of the Father Michael Goetz community. As you know we are blessed to have such an amazing staff that is committed to the social, spiritual, academic and physical development of our students. Never is this more apparent than at this time of the year. We know that Advent is a time of Hope as we endure the literal and metaphorical darkness of the season and we wait for the coming of the Light... the celebration of the birth of Jesus Christ. It is during this time that our community has risen to the challenge and organized so many wonderful events to keep us all engaged and hopeful! See below for our many successes! On behalf of FMG, Merry Christmas and Happy New Year to everyone!

Ms. Coccimiglia

A Message from Our Chaplaincy Leader...

This week, we celebrate the 4th and final week of Advent with the theme of love. We are merely days away from the birth of our Messiah:

Behold, the virgin shall conceive and bear a son, and they shall name him Emmanuel, which means God is with us".

Let us continue together in this final week of Advent and of the 2022 school year by moving even closer to the great feast of Christmas where we too can touch and experience the love of Christ. Merry Christmas everyone. May God bless you.

Mr. Minardi
