Greetings to the Goetz Community,

Welcome back from what I hope was a relaxing and rejuvenating Spring Break! These are definitely exciting times!! Not only is the smell of spring in the air with the promise of longer and warmer days, the easing of restrictions around masks and gatherings and occupancy limits mean that we will be able to enjoy a traditional school spring! Grad is a go as well as all the events that go along with celebrating the end of a school year. We look forward to celebrating these events together as a faith community in the SAME PLACE!!! Of course, students and staff are still encouraged to take care to protect themselves and will be allowed to wear appropriate masks if that is their comfort level. We are grateful to God that after a long and difficult journey, we see the end of the tunnel and the return to a normal school experience. Continue to stay safe everyone!

Mr. Coccimiglio

Hello Gators.

We are now in the 3rd week of Lent. We continue to respond to our mission of repentance and conversion as we draw even closer to the Holy Triduum, the Passion, Death, and Resurrection of our Lord, Jesus Christ. Let us be steadfast in our call and attention to prayer, fasting, and almsgiving.

Over the next many weeks leading up to Holy Week, our campus ministry team will be leading the stations of the cross every Friday during period 4 in the chapel for any classes interested in participating, as well as, providing an opportunity for the Sacrament of Reconciliation to be experienced with our Pastor from Cristo Rei Father Carlos, prior to the start of Holy Week in April. Finally, everyone is welcome to visit our chapel anytime during the school day for private prayer or time of silence and contemplation during this time in our liturgical calendar.

For an update on our exciting team and initiatives, or if you wish to become a member of our campus ministry team, please be sure to follow us @gatorcampus or make a visit to Mr. Minardi's office for more information. Blessings.
