

# Mrs. Gates' Homework Practice

Monday	Tuesday	Wednesday	Thursday	Friday
30	31	1	2	3
	Happy Halloween! Your homework tonight is to share a chocolate bar with a parent.	Create a survey question about Halloween candy. Don't forget to provide choices. Pretend to survey 10 people and create a tally chart based on your results.	Write your words in ABC order. In another column, write the words in reverse ABC order. Draw a line between the two columns to match the pairs of words.	Hand in your homework book to Mrs. Gates.
6	7	8	9	10
Duke has 48 chocolates and Norah has 34 chocolates. Which is closest to the number of chocolates they have altogether? (a) 90 (b) 80 (c) 70 (d) 50	Make a list of 10 words that should be written with a capital letter. Then write the name of the city, province and country that you live in.	Look at the two pattern rules below. Start at 1 and add 3 each time. Start at 1 and add 4 each time. Which of these numbers is in both patterns? ●4 ●5 ●9 ●13	Choose 5 of your words. Use each one in a sentence. Underline the word in each sentence.  Challenge yourself.... try to put 2 or more words in 1 sentence.	Hand in your homework book to Mrs. Gates.
13	14	15	16	17
Which of the following shows counting forward by 25? ● 575, 600, 625, 650 ● 325, 425, 525, 625 ● 125, 250, 375, 500 50, 75, 125, 150	A store has 7 tricycles. How many wheels in total are on these 7 tricycles? Show your work with pictures, numbers and words.	Write 4 sentences. One sentence that ends with a <b>period</b> . Another that ends with a <b>question mark</b> . A third that ends with an <b>exclamation mark</b> and a final sentence with a <b>comma</b> in it.	Look at the pattern below. 4, 7, 10, __, __, 19  What are the missing numbers? What type of pattern is this? What is the start number? What is the pattern rule?	Hand in your homework book to Mrs. Gates.
20	21	22	23	24
Write each word on two pieces of paper and use them to play "Memory". Take turns flipping over two papers and reading the words. If they match, you take the pair. If not, flip them back over again. Write the words in your favourite colour in your notebook.	Rhyming Words. Write your weekly words, then list as many words as you can think of that rhyme with that word. Ex. and - hand, sand, band	A pattern starts at 3 and ends at 17. What could be the pattern rule? Show your work.	Word Race. How many times can you write each word wall word in 20 seconds? Have a family member keep track of the time, or use a stop watch.	Hand in your homework book to Mrs. Gates.
27	28	29	30	1
Look at the pattern below. 92, 90, 88, __, 84, 82, __ Which numbers are missing from this pattern? What is the pattern rule? What type of pattern is this?  Look at the growing pattern below. 3, __, __, __, 19 The pattern goes up by the same number each time. What are the missing numbers? What is the pattern rule?	Describe Henry's pattern rule. Use Henry's pattern rule to fill in the missing numbers in the pattern shown below. __, 26, __, __, 14, __  Henry makes the shrinking pattern below. 73, 69, 65, 61, __, __, __ Fill in the blanks with the next 3 numbers in Henry's pattern.	Spell in the Car. The driver or another passenger calls out words from this week's word wall words and you spell them out loud.	Add another word to make compound words Ex. Fish = fishbowl rain, tooth, sun, butter, ear, star, fire, foot, news, candy, north	Hand in your homework book to Mrs. Gates.
