
Manage Chrome Tabs

— Changing Profiles —

Click on the + sign to open a new Chrome tab:

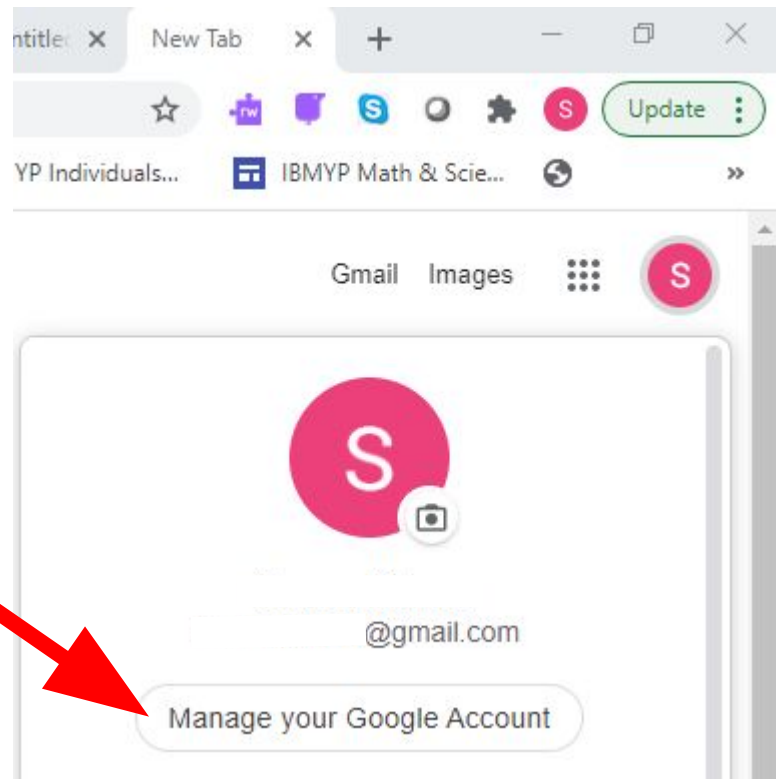

If you have previously signed in to Chrome, select your profile (first initial or picture):

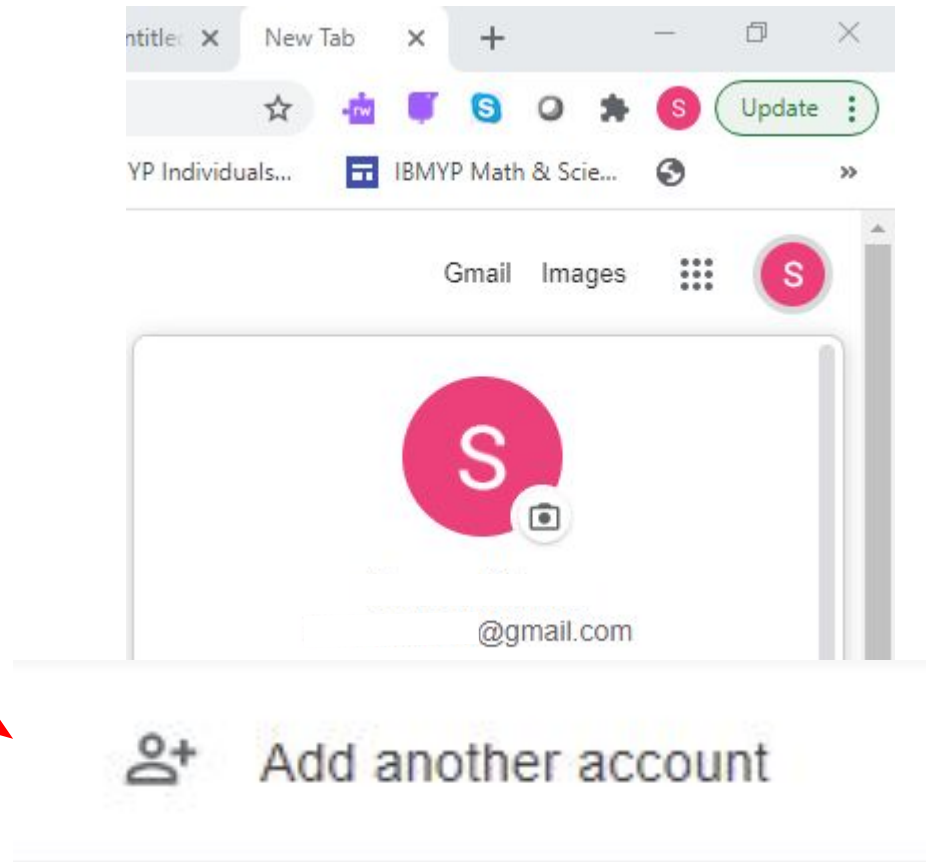

**If you have not signed in to Chrome before you will need to do this first. Click the link below for instructions:

[How to sign in to Chrome](#)

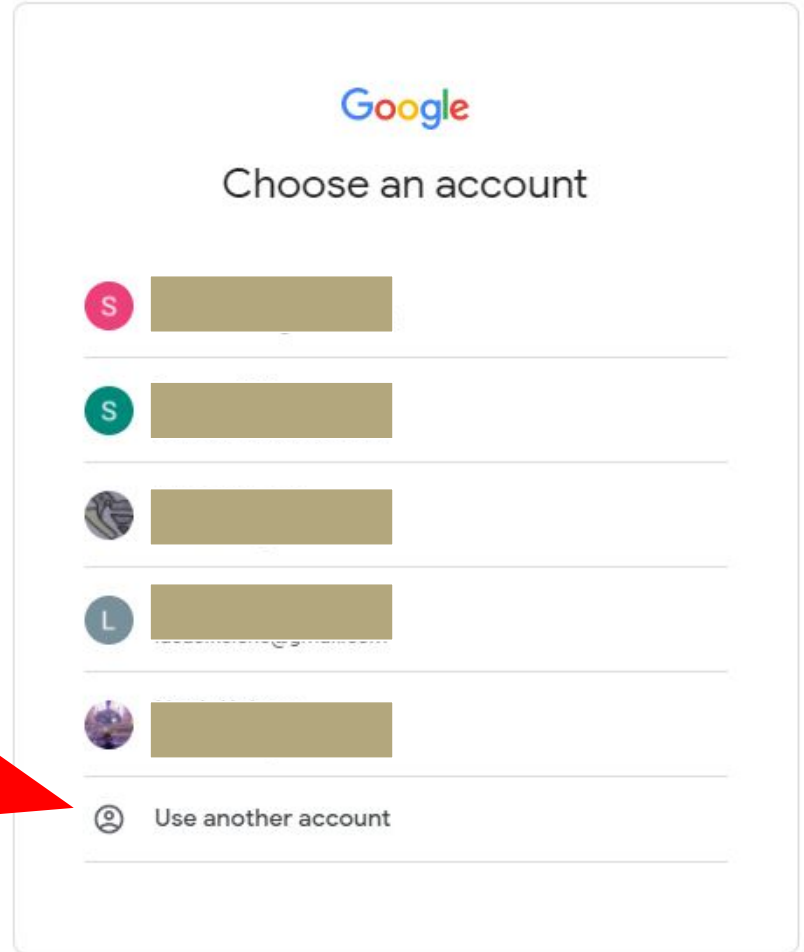

You will now get a menu with the option to *manage your Google Account*.

Scroll down and select
Add another account.

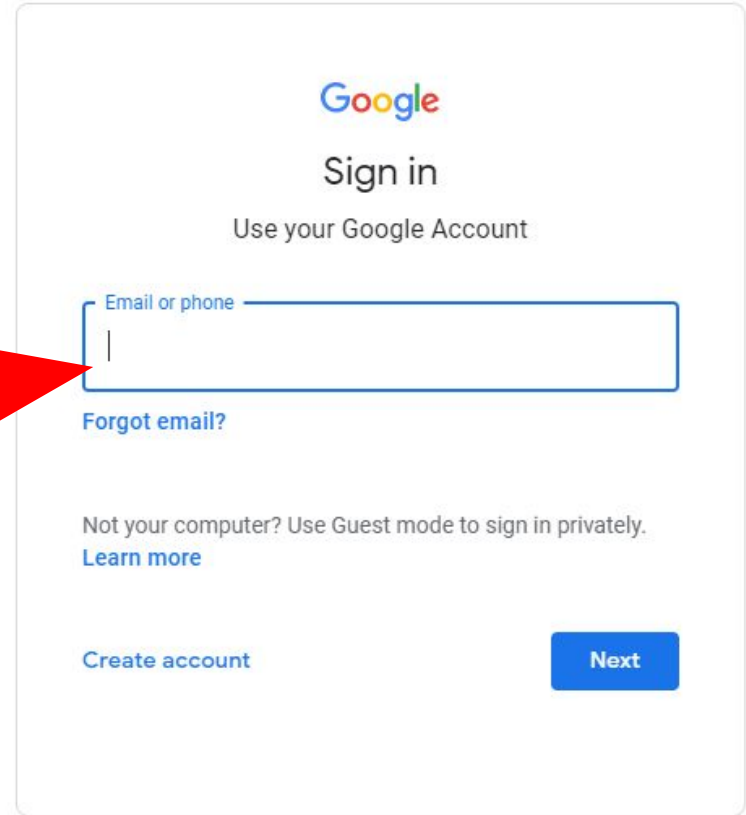

You will be prompted to choose an existing account or use another account. Select use another account and you will be prompted to sign in.

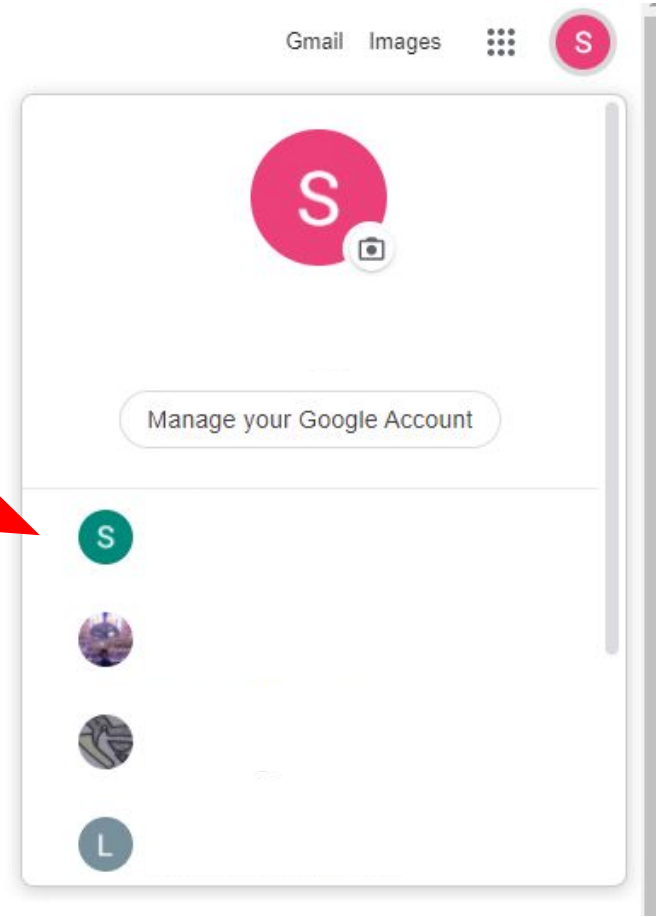

You will now enter
the student email
that was provided
by the school.

student#@educ.dpcdsb.org

The image shows a screenshot of the Google Sign in page. At the top, the Google logo is displayed in its multi-colored font. Below it, the text "Sign in" is centered, followed by "Use your Google Account". A text input field with a blue border is labeled "Email or phone" and contains a single vertical line cursor. A large red arrow points from the left towards this input field. Below the input field, there is a blue link "Forgot email?". Further down, the text "Not your computer? Use Guest mode to sign in privately." is displayed, with a blue link "Learn more" below it. At the bottom left, there is a blue link "Create account", and at the bottom right, there is a blue button labeled "Next".

You will now be able to switch between a personal account and the school account. Use the school account when accessing Google Classroom and Google Meets.

When you open a new tab you can check to see which profile you are using by looking here...
