Parents/Guardians are advised that:

- The St. James Catholic Global Learning Centre is an optional program for students in grades FDK to Grade 8.
There is no transportation (busing) to St. James CGLC.
As a program of choice with limited enrolment, the Board practice of random selection to determine eligibility will apply should applications received by the registration deadline exceed available student places.
Siblings of students currently in the program would also be part of the random selection and are not automatically guaranteed a pupil place to ensure equity of access to the regional program.
Twin siblings will each submit an application per sibling and are not guaranteed a pupil place to ensure equity of access to the regional program.
A waitlist for the current school year will be maintained should pupil place become available during the year.
Students must be eligible to enroll in a Roman Catholic School (i.e., either one parent or the child has been baptized in a Church recognized by the Holy See of Rome).
The following items will be required for students applying to Dufferin-Peel for the first time. Please go to https://www3.dpcdsb.org/schools/register-for-school/kindergarten-registration for more information:
