

As a parent, are you looking for a solution on where and how to store all of your child's mementos from his/her school years?

### Well here it is, the School Years Memory Album!

Keep your child's most treasured school memories from Pre-School to Grade 12 in one beautiful album! The School Years Memory Album is a record book of your child's school years. It offers parents a professional, convenient memory book to cherish for years to come. Parents can fill the envelopes for each school year with class photos, report cards, awards, tests, art projects, sports team photos, and more. In addition to the envelopes this premium Album has 4 pages for each school year to keep track of and record your child's friends, make notes on their favourite things (TV show, sport, colour, etc.) that year and what they want to be when they grow up.
