Your child/children can select a variety of work, stories, and images that they want to include in their portfolio. This encourages them to be self-directed, and responsible life-long learners.

As parents/guardians you can support your child in goal-setting and exploration of your child’s God given gifts and talents through the interactive e-portfolio located in myBlueprint. Stayed tuned each month for a newsletter that will provide you with activities to engage your child.

What are my opportunities? (e.g., school and community-based opportunities)

Who do I want to become? (e.g., personal and academic goal setting)

What is my plan for achieving my goals? (e.g., create a plan, identify resources required, potential obstacles and challenges they may encounter)
