The Greatest Day of the Year

On Easter, the season of Lent will end. Christ showed the world that He is the Savior. Everywhere, Easter symbols are ever present: Bunnies symbolize abundance and represent new life in the spring season. Eggs represent fertility and the emblem of life. The white lily is a symbol of resurrection.

Let us not forget that Easter is the greatest of all the feasts in the Christian year. It is a day of rejoicing and celebrating. Easter Sunday is the most important day of the year.

The Resurrection of Jesus Christ is the heart and soul of our Catholic faith. Easter is the day we celebrate the fact that Jesus rose from the dead. Heaven’s gates are now open to all of us who want to be with God.

His message was simple, but many find it hard to do. The message is to love each other. To this end, we continue our mission to evangelize the words of Jesus Christ.

An Easter Prayer

Of all of God’s gifts
Easter shows us our fate
Forgiven we will rise
And pass through Heaven’s Gate
This Easter remember
The sacrifice of a Son
And through His resurrection
Eternal life we have won
This Easter we pray
That the love of God
Is resurrected
Reborn and renewed
Inside your heart.
God Bless you!

This weekend we will celebrate Palm Sunday. Palm Sunday is the day we remember Jesus' "triumphal entry" into Jerusalem, exactly one week before His resurrection (Matthew 21:1-11). They brought the donkey and the colt, placed their cloaks on them, and Jesus sat on them. A very large crowd spread their cloaks on the road, while others cut branches from the trees and spread them on the road. The crowds that went ahead of him and those that followed shouted, "Hosanna to the Son of David!" "Blessed is he who comes in the name of the Lord!" “Hosanna in the highest!” This event took place on the Sunday before Jesus’ crucifixion. This day is referred to as "Palm Sunday" because of the palm branches that were laid on the road as Jesus rode the donkey into Jerusalem.

The meaning of Easter is Jesus Christ's victory over death. His resurrection symbolizes the eternal life that is granted to all who believe in Him. The meaning of Easter also symbolizes the complete verification of all that Jesus preached and taught during His three-year ministry. If He had not risen from the dead, if He had merely died and not been resurrected, He would have been considered just another teacher or Rabbi. However, His resurrection changed all that and gave final and irrefutable proof that He was really the Son of God and that He had conquered death once and for all.

Let us remember that the more we focus on Christ, the better. The resurrection of Christ is the central theme of Christianity. Paul says that without this, our faith is futile (1Cor 15:17). What more wonderful reason could we have to celebrate! What is important is the true reason behind our celebration, which is that Christ was resurrected from the dead, making it possible for us to have eternal life (Roman 6:4)!

As we approach the final months of the school year, St. Jerome Catholic School is, and continues to be, a very busy place. Many activities are occurring. Just take a look at our calendar of events at the end of this newsletter and you will see that April, May and June are filled with fun and interesting events…. just a testament to the great spirit of St. Jerome Students and the hard work and dedication by the St. Jerome Staff and the St. Jerome Community.

On behalf of the St. Jerome School Staff, we wish all of you a joyful and faith-filled Easter. We look forward to hearing from the children upon their return to school, of all the wonderful happenings they experienced, including attending Easter Mass and spending quality time with family. This is what Easter is all about.

God bless all of you for making St. Jerome Catholic School such a wonderful learning community.

Happy Easter
L. Calabrese, Principal

During the month of April we will focus on the virtue of love.

God has given us many guidelines and examples of how to live our lives. He sent His Son Jesus to make sure that we could see what life could be like.

Jesus made one lesson clear above all other lessons – the lesson to love. Love is not about us – it is about forgetting ourselves and looking out for the good of the other. That’s what Jesus did – He forgot about Himself on purpose. He chose to give up His life for the good of others – us!

Becoming a truly loving person is challenging. It takes prayer and concentration to get used to making little sacrifices for the good of others. Making little sacrifices on purpose so that others will have a bit of food, a bit of shelter, a bit of peace, a bit of quiet, a bit of fun and a bit of friendship.

Through prayer and concentration, we can get better at showing love to everyone we meet.

A loving person …
• wants the best for others
• is willing to make sacrifices for the good of others
• learns from the heroic lives of saints and holy people
• knows that we are all lovable
• prays for others

People of Love…
- Know that we are all unique and special
- Want the best for everyone
- Care deeply about others
- Work for the happiness of others
- Are willing to make sacrifices for others
- Learn how to live from the stories of saints
- Follow the examples of holy people
- Pray for others
Let us pray this month for the grace and courage to be people of love – so that we will never be satisfied until all are satisfied.

We want to thank you for supporting our efforts at home in reinforcing with our children the virtues. As a school, we learn and grow together with Jesus. We look forward to seeing students demonstrate the virtue of love. Please join us on Friday, April 26, 2019 at St. Jerome School for our Virtue of Love assembly. Thank you to Mrs. Murphy and Ms. Russo and their Grades 1 and 1/2 classes.

EASTER HOLIDAY

Friday, April 19, 2019 is Good Friday and Monday, April 22, 2019 is Easter Monday. There will be no school for students on these two days.

STATIONS OF THE CROSS

On Holy Thursday, April 18, 2019 at 1:30 PM the Faith Ambassador Students of St. Jerome School will perform the “Stations of the Cross” for the students and staff at St. Jerome School. It will be an opportunity for us to experience and reflect on Christ’s last hours before his crucifixion. It will be a wonderful way to begin the Easter weekend. Parents are most welcome to join us.

Thank you to Mrs. Berardi, Mrs. Metlin and Mrs. Srutwa and the Faith Ambassador Students for their interpretation of the Stations of the Cross.

More information will be coming home shortly regarding ticket sales
ADMINISTRATIVE PROFESSIONALS DAY

Wednesday, April 24th, 2019 is designated as Administrative Professionals Day. We would like to thank Mrs. Nogueira for all of her hard work in our school office. We are extremely lucky at St. Jerome School to have such a caring individual working with us.

GRADE 3 and GRADE 6 EQAO

All Grades 3 and 6 students in Ontario will again be participating in the Education Quality and Accountability Office Provincial Assessments scheduled to take place between May 21, 2019 and June 3, 2019.

We ask that parents work family vacations, appointments and other interruptions around these scheduled dates to maximize their child’s potential during the assessment. More information will be forthcoming.

SCHOOL HOURS

- 9:00 Supervision in the yard
- 9:15 School Entry
- 11:15 – 11:30 Morning Recess
- 12:15 – 1:15 Lunch
- 2:40 – 2:55 Afternoon Recess
- 3:45 Dismissal

Please note that supervision in the playground begins at 9:00 AM. Please do not leave your children unattended in the school grounds before the teachers begin their duty. Morning announcements begin at 11:05 a.m. in order to allow for a 2 hour uninterrupted Literacy block of time.

ATTENDANCE

Our attendance line is: 905-273-3836 (Press #1). Please call to register an absence. You can call 24hrs a day including weekends if you know your child will be absent from school. An answering machine is available to take information.

Please provide the following information:
- Name(s) of student(s)
- Name of student’s teacher(s)
- Grade of student(s)
- Reason for absence

If an absence is not reported, our policy is to call home to verify student absenteeism. A parent or guardian must sign out students at the office who leave early.

All students are expected to attend school regularly and punctually. There has been an increase of students coming to school after 9:15 am. This is particularly disruptive to the school, the class, and the individual child who is late. It is most difficult for a child to be fully engaged in a lesson when the lesson has already begun without them.

All students who arrive after 9:15 am or 1:15 pm must obtain a late slip from the office. This measure is to ensure the safety of your child. We thank you for your continued support in following this procedure.

CUSTODY OF CHILDREN

On rare occasions, we are faced with difficult situations in which non-custodial parents arrive at school asking to visit their child or to take their child home after school. We are best able to serve and protect students when we are made aware of legal custody arrangements, visitation rights, and other special instructions. If legal custody matters affect your family, please ensure that our office and classroom teachers are aware of custodial arrangements between parents that may affect your child during school hours. Please ensure that a copy of the Court Order is on file at the school office.

EXTRA-CURRICULAR ACTIVITIES AND EXCURSIONS

Students will have the opportunity to take field trips and participate in a number of extra-curricular activities. Permission forms will be sent home to be filled out, signed and promptly returned to school.

NO STUDENT WILL BE ALLOWED TO PARTICIPATE ON A TRIP OR EXTRA-CURRICULAR ACTIVITY WITHOUT WRITTEN CONSENT FROM THEIR PARENT/GUARDIAN. VERBAL CONSENT OVER THE TELEPHONE WILL NOT BE ACCEPTED.

No exceptions will be allowed. Teachers give ample notice for trip consent forms. We encourage parents to support these educational opportunities by volunteering to assist and supervise these excursions. For the safety of your child, excursions lacking appropriate adult supervision will be cancelled.

STORAGE / ADMINISTRATION OF MEDICATION

Parents are responsible for ensuring that all medication and forms are updated annually. If your child requires medication, please have all pertinent forms completed and returned with the medication to the office as soon as possible.
ALLERGIES

We would like to inform you that St. Jerome School is an allergen aware school. We have a number of students in our school who have severe allergic life threatening reactions to peanuts, peanut butter, peanut oils, any peanut/nut by-products and dairy products. As in the past, we are asking you to not put any child at risk, therefore, are requesting that PEANUTS, PEANUT BUTTER, PEANUT OILS, ANY PEANUT/NUT AND COCONUT BY-PRODUCTS NOT BE BROUGHT INTO THE SCHOOL. WE ASK THAT YOU READ THE LABELS OF ALL FOOD ITEMS SENT TO SCHOOL. A letter was sent home the first day of school which addressed this concern. We are asking parents not to send food items to school when celebrating your child’s birthday since there are many alternatives such as pencils, stickers, etc.

BUSSING

STOPR (Student Transportation of Peel Region)
Stopr is providing bus transportation services for the Dufferin-Peel Catholic District School Board. The STOPR website address is www.stopr.ca. This website provides access to up to date information regarding delayed buses and bus cancellations due to inclement weather. To check for eligibility for transportation, please access the following website: businfo.stopr.ca. STOPR Telephone Contact Information: 905-890-6000.

SCHOOL BUS SAFETY RULES

The conduct of individual students on the bus directly affects the safety of all the students on the bus. The driver’s attention needs to be on the road. If students are misbehaving, this can distract the driver.

We are requesting that all parents/guardians reinforce the School Bus Safety Rules with their child (ren).

All Students Should:

- Never put any part of your body out an open window.
- Be sure to look all ways before crossing the road.
- Do not damage the bus in any way.
- Do not throw garbage on the floor.
- Do not consume any food or drink on the bus.

If students fail to follow the bus safety rules, the following actions will be taken.

- First Offence – child is warned by administration with a phone call home
- Second Offence – parents will be notified in writing and/or a telephone call.
- Third Offence – student may lose bus privilege.

REQUEST FOR VOLUNTEERS

Interested in volunteering at St. Jerome Catholic School for 2018/2019? During the school year, volunteers support programs and activities at the school. We appreciate and rely on parents who can devote a small portion of their time to help.

People who volunteer in schools and attend trips are required to have a completed Criminal Reference Check, which can be picked up from our school office and taken to Police Headquarters listed on the form. Once the form is completed, your volunteer service can begin. We look forward to working with you for the betterment of all students at St. Jerome School.

AFTER HOURS SCHOOL ACCESS

When school closes at 3:45 p.m. students should be leaving with all the homework and books that they may need for the evening. We strongly encourage students to do this. We strongly encourage students to be responsible citizens.

MOVING

If you are planning to move out of the St. Jerome school area or change address within our boundaries, please let the office know as soon as possible.

Please keep us informed of any address, phone number or medical changes for your children. It is of the utmost importance that our records be up to date. If your child should get sick or hurt, we must have accurate contact information.
LOST AND FOUND

We often find lost items at St. Jerome School. Items like shoes, socks, hats, jackets, gloves etc. are collected and placed in the ‘lost and found’ box. Please look through it to see if any items belong to you. Please remind your children to bring all personal items home and to continually check the lost and found box regularly for any missing items.

ACCIDENT INSURANCE FORMS

As required by the Education Act and the Ministry of Education, the Dufferin-Peel Catholic District School Board annually provides parents with information about cost-effective student accident insurance coverage via student courier. Although enrolment is voluntary, the board strongly encourages parents to take advantage of the inexpensive insurance coverage, especially if their child/children participate in sports, excursions/field trips, or if parents do not have dental insurance coverage. Enrolment is required in writing so there are two options for enrolment: 1) Complete the traditional form and mail it in or 2) apply online at www.insuremykids.com. If you have any questions please phone 1-800-463-KIDS (5437). Parents alone have the right to insure their children. These forms were sent out the first day of school. If you did not receive one, please ask your child or call the school.

PEDICULOSIS

Head Lice is a common problem which occurs at some time in most schools at least once every year. Head lice are parasites which have been common among human beings for centuries. They are not connected in any way with dirt or neglect. If a case is found in our schools, we shall inform parents of the students in that classroom with a letter. We have had a number of cases so we ask that you also check your own children regularly. If you find them to be infested, please notify the office. For more information go to the following link: http://www.peelregion.ca/health/topics/headlice/.

SCHOOL WEB SITE

We have updated our school website. This site will be continually updated and has information for parents regarding school calendar information, newsletters and school updates. Visit www.dpcdsb.org and link onto the Elementary site at St. Jerome Elementary School @ www.dpcdsb.org/JEROM.

Huron Park Recreation Center
830 Paisley Blvd. West

Mississauga, Ont.
L5C 4P1
905-615-4820

Safety regulations and Board Policy require us to have this contingency plan in place. In the event of an evacuation to the high school, your child will remain at Huron Park Recreation Center until we are able to contact you and make arrangements for pick up.

LITTERLESS LUNCHES

We are also encouraging our students to pack a “Litterless Lunch” and to try to use refillable water bottles.

NEWSLETTER DISTRIBUTION

If you have not provided the office with your email address and would like to receive school information via email, please contact the main office.

INDOOR FOOTWEAR REQUESTED

Please ensure that students keep a pair of running shoes or other appropriate footwear at school so that their feet remain dry and clean at all times. As well, because so many areas of our schoolyard can be quite muddy at certain times of the year, this would really help in keeping mud and dirt out of the classroom.

**ST. MARTIN SECONDARY SCHOOL**

As part of our partnership with St. Martin Secondary School we will, from time to time, provide you with information about important dates or events. It is our hope that through the sharing of this information we can strengthen our ties to our Secondary School and to assist the administration and staff of St. Martin Secondary School in keeping parents and the community informed of events that are occurring at the high school. The link to the Secondary site at St. Martin Secondary School is [www.dpcdsb.org/MARTN](http://www.dpcdsb.org/MARTN). There will also be a link on our website in order for you to connect to St. Martin Secondary School’s website.

**CROWNING OF MARY**

Our Student Faith Ambassadors will be leading the Crowning of Mary Liturgy on **Friday, May 17, 2019 at 1:30 PM**. All parents are most welcome to join us as we celebrate our love for Mother Mary.

**DRESSING FOR THE WEATHER**

It is imperative that all students come to school ready to participate in all activities, including outdoor recess. Weather is especially unpredictable in the Spring. Please ensure that your children come to school dressed according to the day’s weather forecast. As well, all students should have indoor footwear at school. This is essential in case of an emergency evacuation. The students will not have time to change their footwear. We also recommend that students keep extra clothing such as socks and pants at school in case their original clothing gets wet.

with a valid Criminal Reference check, then every year thereafter you must complete a declaration. If there is a break in service for a volunteer for a year and over, then the process of obtaining a new CRC begins all over again.

**HEALTHY SCHOOLS UPDATE**

**THREE HEALTHY EATING TIPS…**

1) **Parents control the supply lines.** You decide which foods to buy and when to serve them. Though kids will pester their parents for less nutritious foods, adults should be in charge when deciding which foods are regularly stocked in the house. Kids won’t go hungry. They’ll eat what’s available in the cupboard and fridge at home. If their favorite snack isn’t all that nutritious, you can still buy it once in a while so they don’t feel deprived.

2) **From the foods you offer, kids get to choose what they will eat or whether to eat at all.** Kids need to have some say in the matter. Schedule regular meal and snack times. From the selections you offer, let them choose what to eat and how much of it they want. This may seem like a little too much freedom. But if you follow step 1, your kids will be choosing only from the foods you buy and serve.

3) **Quit the "clean-plate club."** Let kids stop eating when they feel they’ve had enough. Lots of parents grew up under the clean-plate rule, but that approach doesn’t help kids listen to their own bodies when they feel full. When kids notice and respond to feelings of fullness, they’re less likely to overeat.

**HEALTHY EATING**

At St. Jerome School, we have been very busy promoting various new initiatives. Firstly, we are still promoting Healthy Eating throughout the school year by encouraging our students to bring in healthy snacks and lunches. Students will be able to participate in activities in their classrooms and projects that encourage healthy eating. We are also encouraging our students to pack a “Litterless Lunch” using reusable containers to pack their lunch and snacks and to try to use **refillable water bottles by using our water filling station**.
INTERNET SAFETY

As parents, it is important to be aware of what our children are doing on the internet and make sure our sons’ and daughters’ activities on the internet are completely appropriate. It would be helpful to know your child’s email address, log on names and passwords. Make regular checks, look at the computer screen while your child is on the computer. Set up the computer in an area of your home that is frequently supervised by an adult.

FEEDER SCHOOL PROGRAM WITH PEEL REGIONAL POLICE

Peel Regional Police have assigned Cst. Gallucci and Cst. Lacy to liaise between school administrators and St. Jerome students. The officers have direct knowledge of the community safety issues where the school is located and the surrounding area. The Constable will be a strong resource for our school community working towards a Safe School Environment for our young citizens.

The goals of the program are to:
- Increase positive relationships between St. Jerome students, school staff, administrators and the Peel Regional Police.
- Provide greater communication between the St. Jerome community and the Peel Regional Police.
- Increased awareness of crime prevention and detection towards our common goal of a Safe School Environment

We welcome our relationship with the Peel Regional Police Officers to St. Jerome School and look forward to working together.

PLASP

PLASP Child Care Services is now accepting registrations for programs in our school for the 2019/2020 school year. Please visit plasp.com for information or to register.

CLASS PLACEMENTS FOR SEPTEMBER 2019

The Staff at St. Jerome School will meet over the upcoming months to discuss class placements for students for September 2019. When determining placement, some of the criteria we consider are: academic ability, individual work habits, study skills, maturity, and date of birth, social factors, student needs and gender.

Due to our size, we are limited in our placement options and the number of combined classes.

We appreciate your input concerning any special needs your child (ren) may have. With this in mind, we ask that if you have feedback for us, please provide it to us in writing. We ask that you submit your feedback to the principal by Thursday, May 2, 2019.

Parents are asked to include the child’s strengths, needs and a description of their learning style and any other intangibles that you feel are pertinent, including the type of learning environment that your child would experience the most success.

Please do not make specific requests for teachers as teaching assignments are tentative and may change between now and September and may not be reflective of the current teaching assignments.

When we meet to consider your input and the input of the teachers, a decision can then be made on accommodating any parental feedback. It is not always possible, given the variables that go into devising a class, to accommodate all parental requests. Hence, we ask for your understanding and flexibility. Please rest assured that our decisions are made only after careful deliberation and consideration of all the facts for the individual good of the child and the common good of the school community.

The hard cap of 20 students per primary class is out of our control. All primary classes at St. Jerome School cannot exceed 20 students. The School Board’s Planning Department must take direction from the Ministry of Education who has the final say as to the number of students in the class and the configuration of these classes. This decision will have an affect across our school when configuring the makeup of our classes, as will be the case in all schools in the province. Please note we continue to decline in enrolment and as such, combined classes at St. Jerome School will continue to be a reality for the upcoming school year. Until we finalize our enrolment in September, all class arrangements are tentative. If you have any questions, please feel free to contact me anytime.

Thank you in advance for your support and understanding.
