

Dear Parents/Guardians:

As we approach the end of the 2015-16 school year, I wanted to say “thank you” for choosing Catholic education and for being our partner in the education of your child(ren). During this year, we’ve had many successes of which we can be proud; first and foremost is the success of your children. During this year, we have watched your children grow, not only out of their clothes, but most importantly, we have been witnesses to growth in their faith and education.

As a former Dufferin-Peel student, I have wonderful memories of my days at St. Catherine of Siena and St. Martin and I hope that your children’s experiences will resonate with them in a positive way for many years to come.

I wish you and your family a safe, wonderful, and enjoyable summer vacation. For those parents/guardians whose children are returning to our schools in the fall, I look forward to seeing you in September because, as we know, September will come sooner than we think. For those whose children are graduating, I thank you and hope that you will continue to be a Catholic school supporter wherever your path may lead you.

May God continue to bless you and your family.
