

Mississauga South Superintendent Message

Welcome back to another exciting year of learning this new school year – and a warm greeting to those students and families who are beginning their education in the Dufferin-Peel Catholic District School Board community! My name is Deborah Finegan-Downey and I am the Superintendent of the Mississauga South Family of Schools that includes St. Jerome Catholic School. I am looking forward to working with you and the extremely dedicated Trustee Bruno Iannicca Ward 7, Parish priests Father Joyson George and Father Gijo Muthanattu, Principal Laura Calabrese, teachers, and support staff who put the needs of every child first and truly believe in the potential of each and every child.

I wish you, the families within the Mississauga South Family of Schools, a very successful and productive year full of wonder and learning and witnessing the love our Lord has for us. Education is a co-operative endeavor. As parents and guardians, you play a foundational and essential role in your child(ren)'s success. We look forward to working alongside you in setting high expectations for learning, achievement and well-being. I have great faith that by working together we will continue to support our students, families and schools and assist them in realizing the wonderful promise of Catholic Education within Dufferin Peel.

Through our combined efforts, I have no doubt that Dufferin-Peel will continue to be a leader in the education of many more generations of faith-filled and community minded citizens who will have a positive impact on our future.

God bless,

D. Finegan-Downey
