

A Comparison of the Regular Curriculum and AP Programs

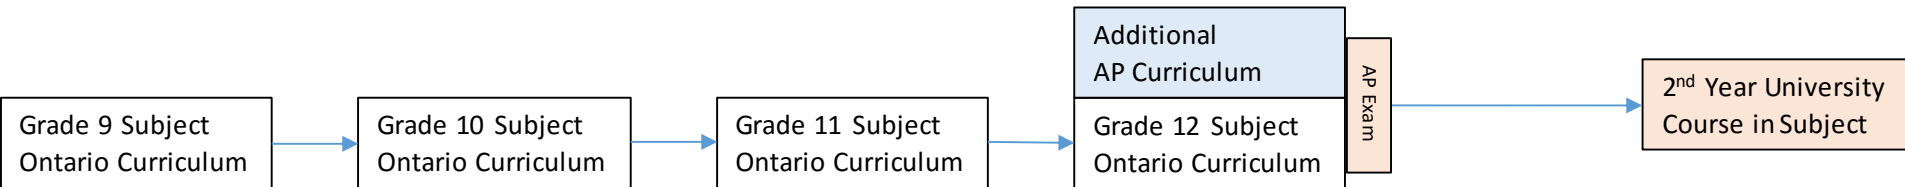

Regular Ontario Curriculum:

Available at all high schools

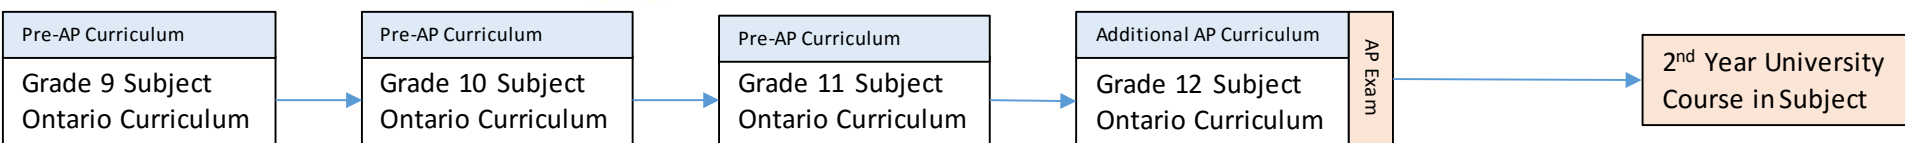

AP Program in Grade 12 Only:

Available at some high schools

Full AP Program with Pre-AP:

St. Joseph Secondary School

- A full AP Program allows students to start learning in an enriched environment sooner.
- The work required to earn advanced standing in University is divided more equitably between grades.
- Greater exposure to an enhanced curriculum for a longer period of time gives students a deeper understanding of the subject material.
