We need our help to raise important funds to support this initiative and exceed our goal of \$4,000 which will support many critical matters to our children and school such as: outdoor education equipment, many needed enhancements to technology purchases, student agendas, indoor recess games, Graduation and Celebration of Learning gifts, and guest speakers.

We need Your Continued Generosity and Support - Especially This Year!

This year we will be selling chocolates **on-line through the web store** and your orders will be delivered directly to your indicated home.

Please consider purchasing on behalf of your children and sharing:
