For your information, the following is provided to you on behalf of Student Transportation of Peel Region (STOPR)

Attention Parents/Guardians:

Re: Inclement Weather School Bus Cancellations and Weather Zones

Student Transportation of Peel Region (STOPR) has established a “weather zone” procedure for the purposes of monitoring and communicating school bus cancellations on inclement weather days.

School Bus cancellation options now include **Zone 1, Zone 2, and/or Zone 3.**

Please note that our School has been assigned to Weather Zone 1.

Therefore, all of our parents/students should be checking the STOPR website and twitter account for Zone 1 cancellations this winter.

School Bus Cancellations will be communicated by “Weather Zone” through the STOPR website www.stopr.ca and the STOPR twitter account @STOPRinfo by 06:00 am each morning.

We also encourage all parents to log into the STOPR website www.stopr.ca and click on the “Inclement Weather” tab to review the STOPR weather zone map and all inclement weather procedures.

Thank you for your attention to this important matter. If you have any questions or concerns, please do not hesitate to contact the school.

Sincerely,

D. Clifford
Principal
