### School Access – Grade 12 day

Last Tuesday marked our grade 12 school access, and despite rules with regards to social distancing and gatherings, staff managed to make it a special occasion for our students. Special thanks to our guidance department, Mrs. Silveira and Mrs. Kuklinska for their hard work in making it a special day. Hopefully the graduates were able to take away some cherished memories of their final year and take one last tour through the school.

## **Farewell**

It is always difficult to say good-bye to staff. Congratulations are extended to Mrs. Zaleski-Rees and Mr. Malone who will be retiring from the DPCDSB. They enriched the lives of many St. Martin students throughout their careers. Happy retirement!

Also leaving St. Martin are Mr. Johnson, Mr. McAtamney, Mr. McAtamney and Mr. Baret. We wish them well; their overall contribution to school life will be missed.

## **Announcements and Updates**

### 1. Parent/Guardian Survey: Return to School Planning

The Dufferin-Peel Catholic District School Board (DPCDSB) is gathering information to help us prepare over the summer for the return to school by students starting this September. Findings will be used to determine the resources available and potential supports needed to plan a safe return. The DPCDSB will be sending you a second survey in August to confirm your plans for your child or children. Please be aware that any return to school plans put in place by the DPCDSB for Fall 2020 will be based on Ministry of Education direction informed by provincial Public Health authorities to be published on August 4, 2020 and in full compliance with all provincial Public Health requirements. Please be aware, also, that this survey is not anonymous and any identifying information we are requesting will help us in our planning. Any personal information will be held in strict confidence.

The survey will be open from June 30 until July 7.

[Take the survey.](#)

### 2. Access to School

Any students or families who need access to the school are to send an email to

[MARTNInfo@dpcdsb.org](mailto:MARTNInfo@dpcdsb.org)

The school building is closed for the summer, however if there is an urgent need, please contact the board office.

### 3. CANADA EMERGENCY STUDENT BENEFIT (CESB)

The Canada Emergency Student Benefit (CESB) provides financial support to post-secondary students, and recent post-secondary and high school graduates who are unable to find work due to COVID-19. This benefit is for students who do not qualify for the Canada Emergency Response Benefit (CERB) or Employment Insurance (EI). From May to August 2020, the CESB provides a payment to eligible students of: \$1,250 for each 4-week period or \$2,000 for each 4-week period, if

you have dependents or a disability A brief summary has been provided below and additional information can be found [here](#).

#### 4. Community Food Distribution

Regular food pickup is now taking place on regular intervals on Thursdays. The food has been donated by our community partners, and open to any of our students' families.

Please submit a request in the general email box for the school ([MARTNInfo@dpcdsb.org](mailto:MARTNInfo@dpcdsb.org) including your name and phone number if you are interested in picking up a food package. All requests are kept confidential.

The school will contact you to confirm your pickup date/time.

#### 5. Chaplaincy Connect - Online Tool Access Card / QR Code

*Chaplaincy Connect* is an online tool that allows students from grade 12 and post-secondary to connect with Chaplaincy campus ministries easily. As most post-secondary institutions will be beginning the 2020 - 2021 school year in a predominantly virtual format, helping students connect to a spiritually supportive community is more important than ever.

The *Chaplaincy Connect* access card has been redesigned to provide simpler access to provide all students. It is suggested that secondary schools share and post the access card in some of the following platforms:

- Guidance emails about post-secondary to students and parents
- Emails from chaplaincy leaders to students
- Include in graduation information
- Google classroom posts for grade 12 courses
- Schools and board Twitter feeds
- Post on board and schools' websites, either in guidance or faith sections.

#### 6. Remain connected

It is important for parents and guardians to keep up to date with current school and board information. Follow the official school Twitter (@StMartinCSS) and Instagram (@mustangpress) accounts and check our school website daily. In addition, continue to monitor the DPCDSB (@DPCDSBSchools) twitter account. In addition, connect with the school if you wish to add email addresses for school newsletter or *School Messenger* email distributions ([MARTNInfo@dpcdsb.org](mailto:MARTNInfo@dpcdsb.org)).

On behalf of all the St. Martin staff, we thank-you for all of your patience and understanding throughout the past three months, and hope you have a safe and healthy summer!
