## PERSONAL ELECTRONIC DEVICE USED WITH WI-FI NETWORK STUDENT AGREEMENT

Dufferin-Peel Catholic District School Board policies and procedures support the use of personal electronic devices (PEDs) for educational purposes. This agreement will be signed when your child registers to attend a school within Dufferin-Peel Catholic District School Board.

In compliance with the Catholic Code of Conduct and other board policies and procedures including, but not limited to the *Student Network User Application and Agreement*, any student opting to use a PED while on school premises for educational purposes is required to adhere to the following:

### Part A.

1. We understand that if I bring my PED to school I must follow board and school policies and procedures regarding appropriate use of technology.
2. We will be a responsible digital citizen by adhering to guidelines regarding content, security, safety and ethical use through appropriate use of technology, as outlined in the Catholic Code of Conduct and other board policies and procedures.
3. We will accurately represent myself while online and that my online interactions are reflective of our Gospel values and virtues.
4. We understand that PEDs may be used during instructional time and in instructional space only with the expressed permission of the classroom teacher and/or staff and only in a manner that supports the teaching-learning process.
5. We understand that I may use my PED in common areas for educational purposes, as designated by the principal.
6. We will not share my password with others and I will respect the privacy of other people. I will not share other people's passwords or personal information.
7. We understand that upon reasonable grounds, staff reserve the right to review material viewed, created or saved on my authorized registered PED and/or other personal electronic devices.
8. We understand that no school and/or board data is allowed to be stored on PEDs.
9. We will not use my PED in a manner that will harm the board's system or another person's work.
10. We understand that if I bring my PED for use on board premises I am responsible for the safety and security of that device at all times and the board assumes no responsibility for lost, damaged or stolen devices.
11. We understand that we should not have the expectation to be able to charge our device at school.
12. We understand that photos, videos or images of an individual/group are not permitted to be taken without expressed consent. Expressed consent must be obtained from the individual(s) - over the age of 18—or parental/guardian consent (for those under the age of 18).
13. We understand the school administration will be the arbiter of what constitutes a violation of this agreement. Any failure to comply with these guidelines may result in confiscation of my PED, discipline, a loss of PED privileges, police involvement and/or any other consequences deemed necessary by school administration.
14. We agree, by virtue of access to the board's computing and electronic communication systems, to indemnify, defend and hold harmless the board for any suits, claims, losses, expenses or damages, including but not limited to litigation costs and legal fees, arising from or related to the user's access to or use of board electronic communication and computing systems, services and facilities.

### Part B.

1. We understand that I am responsible to take the necessary steps to ensure my authorized PED is connected to the board wireless network, and that the board will not be responsible for any cost incurred through the use of personal data plans.

## SECONDARY SCHOOL RELIGIOUS EXPECTATIONS AND REQUIREMENTS - LETTER OF ACKNOWLEDGEMENT -

---

### TO BE COMPLETED UPON INITIAL SECONDARY SCHOOL REGISTRATION IN DUFFERIN-PEEL

Thank you for choosing to enroll your son/daughter in one of our Catholic secondary schools. The Dufferin-Peel Catholic District School Board (the “Board”) is committed to providing a quality Catholic education which views human life as an integration of body, mind and spirit. Rooted in this vision, Catholic education fosters the search for knowledge as a lifelong spiritual and academic quest. The expectations of Catholic school graduates, therefore, are described not only in terms of knowledge and skills, but in terms of values, attitudes, and actions. The Ontario Catholic School Graduate is expected to be: a discerning believer; an effective communicator; a reflective, creative and holistic thinker; a self-directed, responsible, lifelong learner; a collaborative contributor; a caring family member; and, a responsible citizen.

The Board supports freedom of religion and an individual’s right to manifest his/her religious beliefs and observances. The right to freedom of religion, however, is not absolute and religious accommodation in the Board is carried out in the larger context of the Catholic educational system and denominational rights of Catholic schools.

The Board recognizes that any form of discrimination is incompatible with Catholic moral principles and is in violation of the Ontario *Human Rights Code*. The Board recognizes that the school system gives pre-eminence to the tenets of the Catholic faith, congruent with the protection afforded in the Ontario *Human Rights Code*, the *Constitution Act, 1867* and confirmed in the *Canadian Charter of Rights and Freedoms*.

The Board and its staff are committed to the elimination of discrimination as outlined in Ontario’s Equity and Inclusive Education Strategy and the Ontario Ministry of Education Policy/Program Memorandum No. 119, in a manner which is consistent with the exercise of the Board’s denominational rights under section 93 of the *Constitution Act, 1867* and as recognized in section 19 of the Ontario *Human Rights Code*.

The historical mandate of the Catholic school system in Ontario is to infuse the entire syllabus, and related activities of the school on the life and teaching of Jesus. As such, the Dufferin-Peel Catholic District School Board has the expectation that all students admitted to the Catholic system will benefit from these values and teachings and be formed into responsible, reflective and well-rounded citizens.

Our religious expectations and requirements for the duration of a student’s tenure are as follows:

1. All students will enroll in a Religion course in each of the four years. All Religion courses are approved by the appropriate Catholic authority. The Government of Ontario recognizes that Religion credits count towards a secondary graduation diploma.

/Continued

2. All students will participate in an annual retreat for the first four years that they are in a secondary school. The retreat normally takes place during the school day at a site off school property. The chaplaincy leader organizes the annual retreat based on spiritual themes appropriate for adolescents.
3. All students will participate in the prayer and liturgical life of the school. Catholic students are expected to participate fully as mandated by their sacramental Baptism. Non-Catholic students are expected to participate to the extent that they can. It is not the intention of the Dufferin-Peel Catholic School Board to proselytize. However, for supervision, safety and community reasons, the entire school participates in all religious events that occur during the school year. At a minimum, non-Catholic students will attend and maintain respectful silence at all religious observances. All students are encouraged to get involved.
4. Students requesting accommodations must present written notice from their parent(s)/guardian(s) specifying their accommodation needs relating to religious observances, including holy days on which they will be absent from school. This notice should be made in advance (preferably at the beginning of each school year) to ensure that scheduling of major evaluations, such as tests, assignments or examinations, takes the religious observances into consideration.
5. The Catholic District School Boards of Ontario follow approved provincial curriculum. Given the distinctiveness of Catholic schools, the Government of Ontario recognizes parallel curricula for our system. All courses in all subject areas in our Catholic secondary schools are infused with core Catholic values and teachings. Regardless of the subject matter, the Catholic ethos, and moral value system is reflected throughout the curriculum, and as such, is inextricable from delivery.

In order to complete your child's registration package, we ask that upon review of the expectations outlined in this letter, you acknowledge its receipt.

We know your child will find their experiences in our Catholic secondary schools rewarding and we look forward to joining with you in supporting your child during these formative years.

## NETWORK USER APPLICATION AND AGREEMENT

---

TO BE COMPLETED ON FIRST REGISTRATION IN DUFFERIN-PEEL
--

The Dufferin-Peel Catholic District School Board policy supports the use of the local and wide area networks for electronic communication, and the Board believes this to be an integral part of the school curriculum.

In addition to the school's Catholic Code of Conduct and to outline in some detail the responsibilities of the school and the Dufferin-Peel Catholic District School Board, any student using the school network is required to adhere to the following rules:

1. These are the "Rules of Conduct" for Electronic Networks in Dufferin-Peel schools, including internet access.
2. The school reserves the right to change the rules at any time without notifying users. (Changes to rules will be posted.)
3. The school reserves the right to remove network access from any user who breaks these rules.
4. The school does not warrant that the functions will meet any specific requirements the student may have; nor that it will be error free or uninterrupted; nor shall it be liable for any indirect, incidental, or consequent damages (including lost data, information or profits) sustained or incurred in connection with the use of, operation of, or inability to use the system. The student maintains responsibility for meeting all personal deadlines regardless of network availability.
5. The student is responsible for his/her actions while using the computer.
6. The student will not assist in breaking these rules or be a party to others breaking these rules.
7. The student must not intentionally seek information, browse, obtain copies, modify files, or passwords belonging to others, whether at the school or elsewhere, unless specifically authorized to do so by those individuals.
8. Consistent with item 7, the student will refrain from using or introducing to the school computer environment, whether network or stand-alone, files, programs, or disks known to contain viruses. In this spirit, the student will also regularly check his/her files and disks for viruses and endeavor to keep computing systems virus free.
9. The student must not try to obtain system privileges to which he/she is not entitled.

10. The student will not share his/her login and password with others, nor attempt to learn or use logins and passwords which are not his/her own.
11. The student must not exploit any gaps in security and, furthermore, must report these gaps immediately to his/her teacher.
12. The student must not seek or send images, sounds, or messages which might be considered inappropriate, obscene, abusive, offensive, harassing, illegal, or counsel to illegal activities.
13. A student who receives or encounters any of the material indicated in item 12, which makes him/her feel uncomfortable, should report it to his/her teacher immediately.
14. The student is responsible for determining the copyright status of any program(s) or data used, and for respecting intellectual property rights and the laws which govern them.
15. It is the student's responsibility to back-up, save, and maintain any of his/her information.
16. The student must abide by all federal, provincial and local laws.
17. The school reserves the right to review, edit or remove any material stored on Board computer/network facilities.
18. The school will be the arbiter of what constitutes a violation of this Agreement.
