

WELCOME BACK!!!

I'd like to take this opportunity to welcome you back for another year of learning, growth, and memory-generating experiences. If you are new to the community, welcome! This is an outstanding school and I know your child(ren) will thrive here.

I certainly hope that you had a wonderful summer holiday. My hope is that the past two months have given us all an opportunity to recharge our batteries and get ready for the challenges and learning opportunities of another memorable school year.

In this regard, I look forward to seeing you around the school and at school functions. In addition, I encourage you to get involved with the Catholic School Advisory Council as this is the forum where I bring school and board issues regarding your children, so that you are aware of what is happening in OUR school.

As we begin the 2023-2024 school year, can I again ask that you pay particular attention to the children as they arrive and depart in the school's Kiss & Ride during arrival and dismissal time.

Ensuring the safety of our children is a priority.

Again, welcome and I look forward to seeing you.

God Bless.
