**Date: November 2019**

**To: All Principals  
Bus Operator Branch Managers**

**Re: Caledon Inclement Weather Cancellations 2019/2020**

**From: Wendy Dobson, General Manager**

I am writing to clarify procedures and expectations in the event of a Caledon “only” inclement weather cancellation.

If it is necessary to cancel transportation within Caledon only, please note the following message will be posted on our website and twitter account:

***“All DPCDSB and PDSB school transportation in Caledon is cancelled for today. Buses will continue to operate for James Grieve PS, Southfields Village PS, Tony Pontes PS, Malala Yousafzai, Pte Buckam Singh, St Aidan and St Rita.”***

In addition, please find attached a list of specific runs that will be partially affected by the “Caledon” cancellation noted above. These runs start in Caledon and travel to Brampton or Mississauga area schools. Therefore, these runs will not pick up any students within the noted areas of Caledon but will operate the Brampton or Mississauga portion of the run only.

Please review the attached list with your students/drivers so they are prepared and aware of exactly how a “Caledon” cancellation will affect their route and/or runs.

If you have any questions please contact STOPR.
