April 8, 2020

In view of the current state of the COVID-19 pandemic and the uncertainty surrounding its extended duration and impact, the Dufferin-Peel Catholic District School Board (DPCDSB) has made the decision to cancel all student events for the remainder of the 2019-2020 school year. This includes Grade 12 proms and graduation activities, athletics, extracurriculars and field trips.

Grade 8 and Grade 12 graduation ceremonies and masses will be postponed at this time. A decision to reschedule will be made in the months ahead in consultation with our public health authorities.

We know that our students and parents/guardians will be very disappointed to hear this news and we share in this disappointment. We understand that these school events are milestones for students and families and provide lifelong memories for all. We also are keenly aware that these extraordinary times have prompted unprecedented but necessary changes in every aspect of our lives.

You can expect to receive further communication from your school principal on what this means at your school.

We thank you for your understanding and cooperation during this difficult period. On behalf of all Dufferin-Peel Catholic District School Board staff, please stay well and safe.
