Greetings, Notre Dame Students and Families!

Welcome to the November edition of our Student Services Newsletter! As the semester moves forward, we have some exciting updates and reflections to share from our busy October.

Take Our Kids to Work Day - November 6

On November 6, Notre Dame will participate in Canada's Take Our Kids to Work Day, a nationwide initiative that allows children to explore the working world. This annual event is designed to give students a hands-on experience of what their parents or guardians do at work, fostering career curiosity and a greater understanding of different professions. Please ensure that your child will take part in this exciting opportunity!

College Fair Trip Recap - October 17th

On October 17th, 25 students embarked on a thrilling adventure to the annual College Fair! This year's fair was a fantastic opportunity for students to meet with admissions representatives from over 30 Ontario colleges. Students had the chance to learn about a wide range of academic programs, campus cultures, and scholarship opportunities.

Post-Secondary Open House Recap - October 22nd

On October 22nd, ND hosted our second post-secondary open house. This event brought together representatives from Ontario colleges and universities. Students and families had the chance to explore different programs, discover unique opportunities, and ask direct questions to school representatives. We hope the students left the open house feeling excited and better prepared to make informed decisions about their futures.

Post-Secondary Lunch Visits Continue

Notre Dame Student Services will continue to host post-secondary universities and colleges during our lunch periods. This month, Niagara College will be visiting us on Thursday November 7 and York University on Monday November 11. This is a great opportunity for students to ask questions directly to school representatives.

Semester 1 Midterms

Semester One midterms will be emailed to student email accounts the week of **November 18**. Please ensure that you view your students report card in a two week timeframe.
