Semester 1 Exams

January 22, 23, 24, 27, 28

Exam Review Day – January 29

PA Day: Semester Turnaround

Day – January 30

Dear Notre Dame families,

As we move into the beautiful month of October, there are exciting opportunities ahead to help you shape your future and support your educational journey. Please take a moment to review this month's important updates and events.

Post-Secondary Fair: Your Future Awaits!

We are thrilled to announce our annual Post-Secondary Fair on October 22, from 5:30–8:30pm! This is your chance to explore a wide range of opportunities from universities and colleges. Representatives will be available to answer your questions, share insights on their programs, and provide resources to help you make informed decisions about your future. Students and families are encouraged to attend school specific campus tours. More information can be found [here](#).

Scholarship Report: Your Key to Financial Support

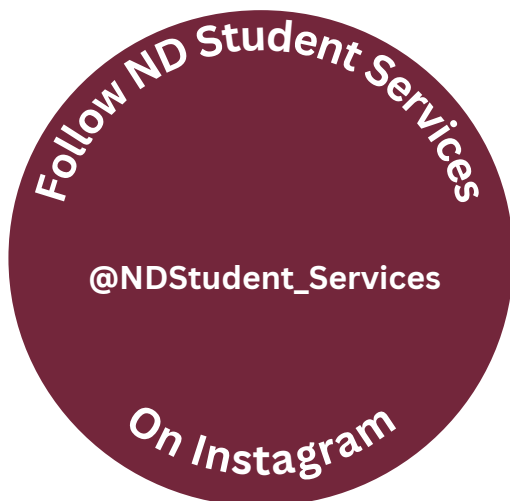

We want to remind you to review the latest Scholarship Report available on the Grade 12 Google Classroom and will be sent home to families in the coming days. Scholarships are a fantastic way to ease the financial burden of your studies, and many opportunities often go unnoticed.

NOTE: A student who is applying to a self-nominating scholarship or bursary, will need to request any documents FIVE days prior to the application deadline.

Take Your Kid to Work Day – Grade 9 Students

We are excited to remind all Grade 9 students and their families about Take Your Kid to Work Day on November 6, 2024! This national event provides Grade 9 students with the unique opportunity to experience a day in the life of a working professional. It's a wonderful chance to gain real-world insights, explore career possibilities, and better understand the skills needed in various professions. We encourage families to take full advantage of this opportunity to inspire and motivate our younger students as they start thinking about their future career paths. For a preview video please [click here](#).
