Chair and CCSC Update	<p>Shrove Tuesday was a great success. Kids thoroughly enjoyed the atmosphere of the dine- in system in the gym and smell of pancakes throughout the hallways. There was an amazing flow of pancakes being made in the staff room & gym with no shortages. The classroom schedule created for this day worked great. Recommended to continue using the same system and schedule for next year (remembering to combine senior grades with junior grades). Over 650 pancakes were made for students and teachers. We did not decline offers for seconds because the system worked so incredibly well that we had enough to keep feeding everyone.</p> <p>Dining in the gym created a sense of community and breaking bread together as a school is always encouraged.</p> <p>Recipe in a Jar Fundraiser ran from Feb 19 - Mar 8. We did not sell 395 Jars like we did in the past but we did sell 77 Jars and 17 pouches with a profit of \$325.23. Items were distributed to students on March 19th.</p>	

	<p>Labels Labels currently holds a profit balance of \$14.27. Funds get released to us when we reach \$75. School admin team will add a reminder to families in the newsletters and Present to new '24/'25 registrations - via welcome night.</p>

This will give time for members to review and bring such items forward at our CSC meetings.</p> <p>CSC communication memo to be posted no later than 2 weeks after CSC meeting (including meeting minutes).</p> <p>School admin team working on new registrations and class lists. Any requests regarding learning needs/strengths, style of learning; information not already known to the school, must be emailed to peterinfo@dpcdsb.org no later than May 10th.</p>
