

Robert F. Hall Catholic Secondary School

To Know, To Love, To Serve God

November 7, 2022

We would like to advise all students and families preparing for the OSSLT starting this week, we have decided to postpone the administration of the test until the Spring session, in March and April 2023. We want to ensure our students feel supported, are prepared, and offered the most positive opportunities to be successful on the test.

More details regarding OSSLT support sessions and Spring assessment dates will be forwarded when determined.

We thank you for your patience and support.

Diana Speranza
Principal

Extraordinary Lives Start With a Great Catholic Education
