

The Performance Assessment will consist of three elements:

Part A - Performance

- students will be asked to perform a song on any instrument they currently can play (piano, guitar, drums, voice, wind instrument, string instrument)
- this selection should be 1 - 3 minutes in length.

Part B - Written Musical Review

- Bring a music review of your own favourite **instrumental** music selection
- Include title, composer and any other important information
- Describe what you hear in the recording
- Give reasons why you like this selection as well as areas for improvement
- This should be approximately one paragraph in length

Part C - Rhythm Studies

- students will be asked to clap two bar rhythms
- counting out loud is acceptable
- students will also be given sight-reading passages to play on a drum
