

May 2019 IB Examination Schedule -- Exam starting and ending times are approximate

In most cases, the morning exam **procedures** commence at 8:15 and the afternoon exam **procedures** commence at 12:00. The students must be in the cafeteria at 8:05 and 11:45 to get ready for the exam (please note some other times of starting the examinations). Students, please make sure you have the necessary items for your exams and cell phones switched off. **For each examination, 15 minutes have been added to accommodate for an invigilator's reading of instructions (5 min), the students reading the exam paper (5 min), and examination collection (5 min).** The invigilators are asked to arrive 30 minutes prior to the commencement of the exams to organize the room, exam papers, and required materials. The exams will begin as soon as the examination room(s) is/are ready and organized. The assignment of the library/portables/rooms is tentative and may change at a later date. Invigilators please double check the exam duration and exam starting and ending times for accuracy (a copy of the IBO official schedule will be provided to you and is posted on our website www.stfxss.org - > Guidance/Courses -> IB Program -> IB Examinations). **Students, please wait in the cafeteria to be called to the examination room. NOTE:** The following schedule is only an internal organizational chart. **The IBO official exam schedule and the student's personal schedule are the only sources that students have to check for dates, subject, and duration of exams.**

MORNING								AFTERNOON
